# VINAYAK SHARMA

FULL STACK WEB DEVELOPER

## PROFILE

My objective is to gain an experience in the Full Stack Developer role in order to enhance and expand my technical knowledge gained at NIIT with a 9 CGPA during the past three years in Mobile Software Engineering. I have a bachelor's degree in computer application from NDIIT as well. I have experience working as part of a team and individually. I understands the importance of being interactive and enjoy communicating with others for the benefit of the company.

## WORK EXPERIENCES

- **ASSOCIATE RESEARCH**  
Vigilancia (2022 - Present)
  - Here I work in a research department.
  - My work is to gather, organize, and synthesize data to support decision-makers in the firm's sales and trading function.
  - My primary focus area is in the sector of Due Diligence where I handle investigation of targeted companies.
- **BUSINESS DEVELOPER**  
Aarambhh Digital (2021 - 2022)
  - My work here is to generate linkedin leads by connecting with different brand owners from various industries and showcasing them services which Aarambhh Digital offers.
  - Managing meeting's schedule between client and team members.
